

MAN & WOMAN OF THE YEAR 2010

R. Darryl Webb

- *I am raising money in honor of our Boy & Girl of the Year, Trevor Moultrie and Rollins Wilkerson, as a Candidate for Man & Woman of the year!...*
- ***Trevor:** was diagnosed with Acute Lymphoblastic Leukemia (ALL) in December '07 when he was 15 months old. He is in remission and the prognosis is good; however, the treatment is scheduled to continue until 2011. **Rollins:** was diagnosed with ALL two weeks after her second birthday. Throughout all the chemo and treatments, Rollins continues to demonstrate such amazing strength and grace. Her last scheduled day of treatment is August 27, 2010. Both Trevor and Rollins are precious gifts and a reminder of what it means to be a true hero and heroine, may God continue to bestow bountiful blessings upon them...*
- *There are many organizations who support the medical community in its' care and treatment of patients with chronic conditions. The Leukemia & Lymphoma Society (LLS) is relentless in pursuit of its' mission to cure blood cancers and improve the quality of life of patients and their families. ..*
- *I am dedicated to continuing my support and service, in any way that I can, for this cause. I ask that you join me by making a contribution to my campaign. Each dollar I raise counts as one vote and the candidate who gets the most donations is named the local Man or Woman of the Year ...*
- *Your donation is tax deductible and will support LLS programs, including research, patient services, advocacy, public and professional education, and community services. Please help advance the mission of The Leukemia & Lymphoma Society. I truly hope to help find cures for blood cancers someday...*
